1. FOG LIGHTS

Because seeing and being seen is everything in bad weather, this is one accessory that's easy to justify.

2. B-PILLAR DECORATION

A stylish addition in matt metallic silver finish that emphasizes your Civic's lines and adds a dash of elan.

3-4. FRONT & REAR BUMPER TRIMS

Your Honda Civic will always look good but it will look even better without the annoying scrapes and scratches that come with every day use.

Front, Side and Rear Body Trims are the answer.

Available in two versions; one is made with a from an impact-resistant material and finished to match your car's body colour, while the other is made from impact resistant material in black.

5. FRONT & REAR PARKING SENSORS

Small and integrated into the bodywork and colour of your Civic, Parking Sensors are the perfect secret weapon in the challenge of tight spaces.*

Issuing a warning tone when you get too close to an obstruction, these little aids are a big help in keeping scratches, dents and repair bills to a minimum.

*Rear accessory sensors become disabled when a trailer harness is attached.

1. SD NAVIGATION

Stay on track and on time with the Honda in vehicle SD Navigation system, neatly integrated into your dashboard.

A 6.1 WVGA Touchscreen features multi-sensor navigation (GPS / Gyro / Speed Pulse), with steering wheel remote control connection, iMid connection, map coverage for 34 EU countries all updatable via SD card, and Voice Commands and Menus available in 12 languages.

Not to mention Bluetooth HFT, with integrated microphone and audio streaming, AUX in and USB and iPod connectivity.

And if that isn't impressive enough, all that capability comes at a surprisingly low cost.

*Honda dealers are included as points of interest

2. BLUE AMBIENT FOOTLIGHT

A cool and stylish way to add atmosphere to your Civic's interior, these footlights bathe the footwells in pools of blue light.

3. COMPACT NAVIGATION

The Honda Compact Navigation kit's award winning design and even more advanced routing capabilities offer an alternative to an in-dash navigation system.

4. HFT BLUETOOTH

Perfectly blended with your Civic's interior design, Honda's easy-to-operate hands-free telephone technology allows you to call in safety and comfort.

With a turn and push button display situated within easy reach, HFT Bluetooth operates through your car's speakers.

5. PARKING AID CAMERA

Now available as a separate accessory*, the Parking Aid Camera adds a visual picture to those restricted parking spaces, making it even easier to squeeze into the tightest spots.

*Suitable for all cars with iMid screen.

1. ELEGANCE FLOOR MATS

Stepping out in style is what the Honda Civic is all about. But sometimes stepping in can be messy.

To effectively protect your car's interior from mud, sand and water we offer a choice of interior carpets:

Elegance Floor Carpets are made from black tufted carpet with nubuck binding and a tasteful woven Civic emblem.

2. STANDARD MATS

Standard Floor Carpets are made from black needle felt carpet, woven binding and a Civic name tag.

3. RUBBER MATS

Hardcore protection from mud, sand and water is a must for your new Civic. These rubber mats in dark grey are colourfast, waterproof and fire retardant

4. BABY SAFE PLUS CHILD SEAT

There's no more precious cargo than your children.

That's why our range of child seats have been designed to offer guaranteed protection to babies and children to the age of twelve.

With a choice of Universal or ISOFIX fixings, peace of mind comes as standard.

5-6. TRAILER HITCH - FIXED AND DETACHABLE

Designed, engineered and tested specifically for the performance and towing capacity of your Civic, the Trailer Hitch can tow up to 1500 kilos towing weight and 75 kilos vertical weight, depending on the engine type

And it's available as a fixed option and also a full-automatic detachable version, which becomes invisible when not in use.

7. BICYCLE CARRIER FOR TRAILER HITCH

Suitable for all current bicycle types and with no assembly needed, this foldable carrier can be easily attached to your Civic's Trailer Hitch in a single handed operation. Once secured it can be lowered, even with bicycles attached, to allow access to the boot space.

A single key provides security for both carrier and bicycles. When not in use it simply folds away for maximum space-saving storage.

8. ROOF CARRIER AND ATTACHMENTS

With a maximum roof load of up to 75kg*, a choice of attachments is available - including a streamlined Roof Box, Skibox and a Ski and Snowboard attachment for up to four pairs of skis or two snowboards.
